Our history

02

Our history

00's

Origin of Logista

1999 Establishment of **Logista** from the spin-off of the logistics business of **Altadis** and merger with **Midesa**.

2000 **Logista IPO**. Start of diversification by acquiring **Logista Dis**, distributor of convenience products. Storage, transport and distribution of EURO currency.

2002 The diversification strategy continues; we acquired: **Nacex** and **Integra2**. The same year we created **Logesta**, a long-distance transport company.

2004 **Logista Italia** is acquired. And the large **Pharma** warehouse, one of our most important services today, is built.

2007 New international momentum by extending operations to **Poland**, with the creation of **Logista Polska**.

2008 **Imperial Brands** acquires Logista.

10's Consolidating leadership

2012 We acquired 100% of Imperial Brands' logistics business in France to create **Logista France**.

2014 **Logista** is again listed on the **stock market** through its parent company, Compañía de Distribución Integral Logista Holdings.

2015 Financial consolidation that allows us to join the **IBEX Medium Cap** index.

2016 **CDP** recognises us as **one of the world leaders in the fight against climate change**, by being part of its "**A-List**".

2018 We enter the **IBEX Top Dividend index**.

Recognised as a '**CDP Supplier Leader 2018**' for our performance in the '**CDP's Supply Chain Program**'.

We incorporated the **FTS4Good** index for corporate, environmental and social governance.

2020 **Incorporation new management team - CEO**

20's

We continue
adding achievements

2022 We entered the **IBEX 35**, with a market capitalisation of more than **3.1 billion**.

Ecovadis silver medal and we rank in the top 1% best-rated companies in our sector.

2022-2024 We maintain our strategy of inorganic growth.

> **73,33% Transportes El Mosca** (a Spanish national and international freight transport company), and the remaining 26.67% in 2 years.

> **100% Carbó Collbatallé** (Spanish company specialising in transport and cold logistics in the food sector).

> **100% Gramma Farmaceutici** (a company specialising in logistics services for the pharmaceutical industry in Italy).

> **100% SGEL Libros** (a national book publishing and distribution company).

> **100% BPS, Belgium Parcel Services** (company specialising in urgent pharmaceuticals parcels in Belgium and Luxembourg).

> **100% Speedlink Worldwide Express** (a Dutch B2B express delivery specialist).

03

Our Values

03

04

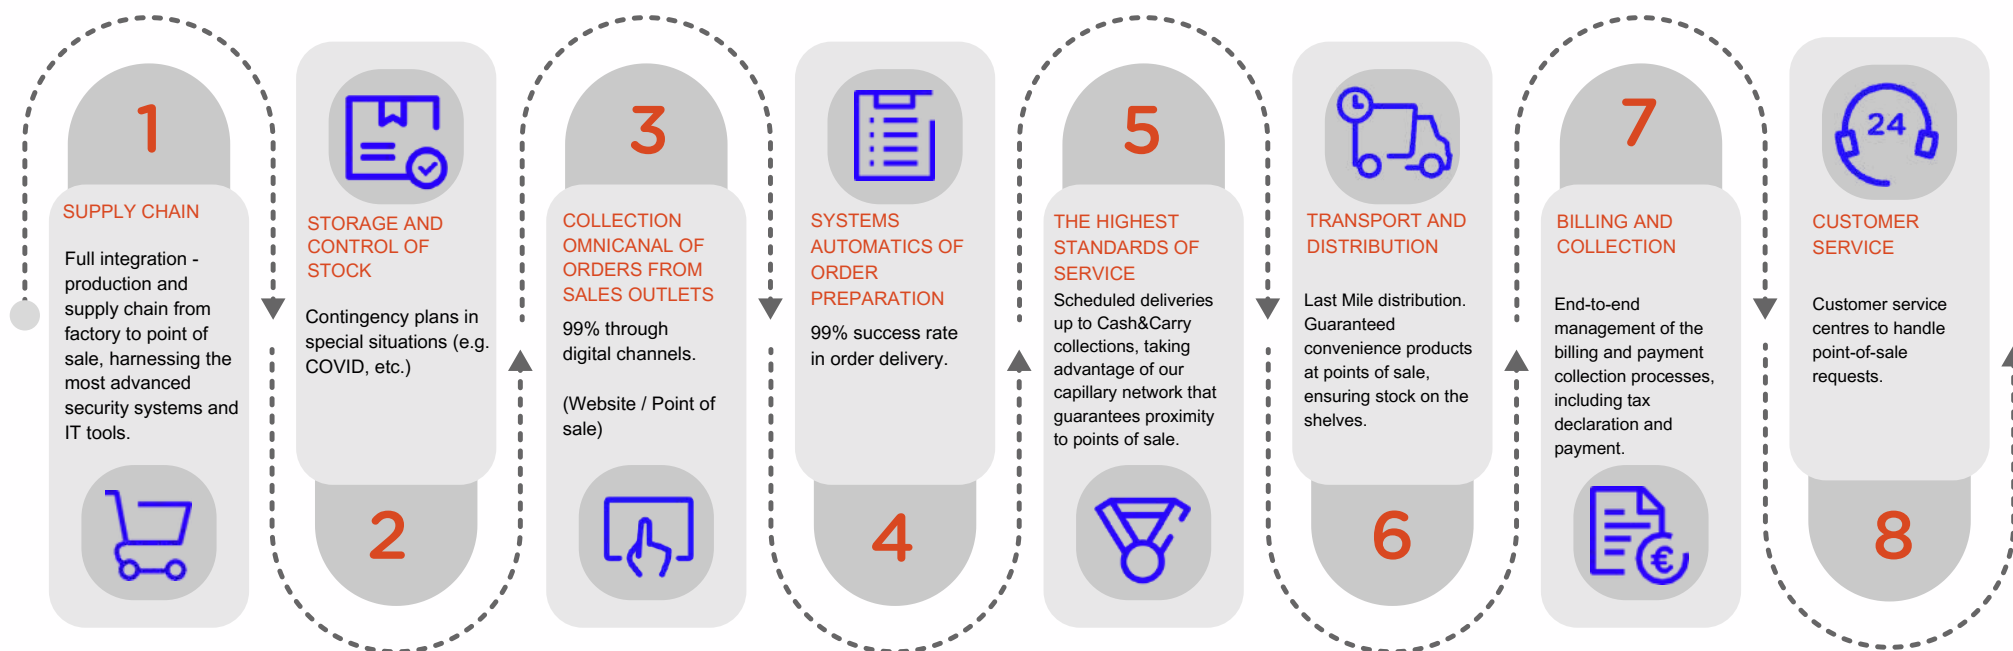

Our business model

04

Our business model

Logista offers a **unique** set of services, guaranteeing **full integration** of the flow of goods, payments and product traceability, which allows **manufacturers** to focus on their **activity** and achieve **economies of scale**.

An aerial photograph of a large port facility during a vibrant sunset. The sky is filled with orange, red, and purple clouds. In the foreground, a large container ship is docked at a pier. The pier is filled with numerous yellow gantry cranes and stacks of colorful shipping containers in shades of blue, red, and green. The background shows a city skyline across the water.
